

Merry Christmas!

The SEOD family would like to wish you all a very Merry Christmas!

Christmas is a time for family and we are grateful to spend this special time together within our warm home in Pokhara. This year has certainly been a very interesting one and we couldn't have done it without the support of you all. Thank You.

We wish you all and your families a blessed New Year!

CAMPING & HIKING IN THE MOUNTAINS

With the easing of lockdown restrictions we've been able to get out into the hills. One of our favorite places is Astam village where we went camping overnight.

THANK YOU Bèllè Lyìpá

Aren't we lucky! Pokhara's newest and best bakery has opened in Lakeside, Bèllè Lyìpá, and they regularly give us delicious croissants and cruffins.

Our favorite is the twice baked chocolate croissant. If you would like to visit please go to 14th Street, Lakeside Pokhara or follow them on instagram at @belleyipa

EXAMS, EXAMS, EXAMS!

The results are in! We all passed with flying colors in our term exams. Online classes are continuing and in-person classes are starting from this week at our school.

SAGAR

Hi, my name's Sagar and my life has been an emotional roller coaster. I lost my mother to heart disease when I was seven and afterwards my father became unstable and disappeared. My grandparents tried their best to raise me but because they're poor, they had difficulty feeding and educating me so they asked for help and I joined SEOD Children's Home.

I spent 13 years at SEOD. After I completed my education I started to help the SEOD accounting staff. I completed a bachelor's degree in hotel management in 2019 and I'm currently working at the Intercontinental Fujairah Resort doing a management internship.

I would like to thank SEOD, the support staff, volunteers, sponsors and all those directly and indirectly involved with this beautiful organization who support so many children and give them a bright future- I'm one of them.

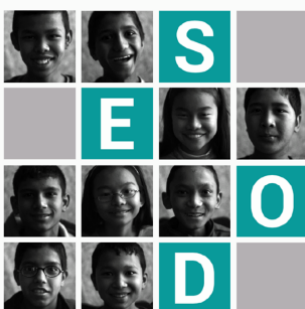

More Birthdays, More Fun!

What is SEOD

SEOD Children's Home is home to 13 wonderful children who are either orphaned, abandoned or rescued from abusive family members. Our aim is to not only provide these children with a place to grow up, but to create a real home; a place which gives them the safety, warmth and love of a family and helps them recover from their often traumatic experiences. With the help of our dedicated team and house mother, Uma, we take care of each child's individual needs and interests. Our ultimate goal is to provide a strong platform so our kids can safely and happily reintegrate with society and succeed in their life.

We rely on your kind contributions to keep our home going. Thank you
